Step by step walking route

1. Starting at Hilton Street car park, enter the park through the A-frame at the top of Hilton Street and go straight on towards the Water Tower. When you reach the trees, after approximately 10m, turn right along the Woodland Walk. On leaving the Woodland Walk, turn left. Walk along the mown path keeping the first tree compartment to your left then bear right to join a more established path and walk alongside the rear of the second compartment of trees, keeping it to your right. You have left the park at this point so you will need to pass through an A-frame to re-enter the park then walk down the grass slope to the steps.
2. Stick to the tarmac path within the park and take a right at the junction ahead of the chicane gate and walk partway up the hill back towards Green Lane. To avoid taking the tarmac path the whole way you can veer off to the left and walk along the fire break keeping the tree compartment to your left. On approaching Green Lane veer to the right walk across the grass then keeping the Green Lane gate to your left continue on across the grass with the playground to your left.

The countryside code

Respect - Protect - Enjoy

Respect other people:

- consider the local community and other people enjoying the outdoors
- leave gates and property as you find them and follow paths unless wider access is available

Protect the natural environment:

- leave no trace of your visit and take your litter home
- keep dogs under effective control

Enjoy the outdoors:

- plan ahead and be prepared
- follow advice and local signs

Warren House Park & Campsall Country Park

Warren House Park
managed by:

3. Upon passing the play area take a left at the tarmac path. Keep the play area to your left then take the right hand path and walk towards the basketball park and then on past the skate park, keeping both to your right. Keep straight on the left of the litter bin. Keeping to the tarmac path turn left. When you pass through the A frame you need to first bear right and walk through the gap in the field wall and then left along the footpath.
4. Backtracking to Warren House Park you could take the track that is to your left immediately before the tarmac junction which uses a public right of way across the farmers field or you can continue along the footpath passing the swimming pool/leisure centre on your left and turn left into Campsall Country Park. Pass the car park on your right and continue straight on through the chicane gate into Campsall Country Park. Walk down the hill to the woodland and pick up your route around the lake and back to Warren House Park.
