

# Green Angels needs YOU!

**Green Angels** is an exciting training opportunity with an environmental focus, giving you the chance to learn new skills, change your future prospects and make a difference in your community. Our FREE courses cover subjects such as **countryside management, landscaping, environmental education, horticulture** and more. Training programmes usually last around six weeks, with regular sessions that combine learning with hands-on experience.

**New courses are starting soon in the Warrington area**
