

This project has been supported by:

Health Trail

Distance: 0.5 mile/0.8km
(10 minutes at easy walking pace)

A gentle circular route taking in the amazing three-piece Eagle carving by Simon O'Rourke and the park's wetland habitat. Return to the car park via the beautiful Fallen for the Fallen WW1 Memorial Bench & Poppy carved by Paul Edwards. This trail is ideal for helping you get back into exercise or for those with only a short time to spare!

Smile for a Mile

Distance: 1 mile/1.6km
(20 minutes at easy walking pace)

This one mile trail, based on a scheme used by many schools to improve the health and wellbeing of children, is great for all the family. It takes in open views over the grasslands in the centre of the park before returning around the edge of our Woodland Path Nature Reserve. For a slightly shorter route, go through the woodland itself and check out the homes of the creatures who live here.

Silva's Trail

Distance: 2 miles/3.2km
(40 minutes at easy walking pace)

This trail is in memory of a dog called Silva who loved to be walked here. Look out for the beautiful glass mosaic created by Aleta Doran in memory of Silva and take in the views from the memorial bench. Follow the northern edge of the park along an ancient bridleway to Knolls Bridge. Follow the Shropshire Union Canal towpath a little way before returning into the park crossing over a dry river bed, passing the Life for a Life Memorial Forest on the way to the car park.

Chester parkrun

Distance: 3.1 miles/5km
(60 minutes at easy walking pace)

Explore this at your leisure or take part in the Chester parkrun, a free 5 km timed event that takes place at 9:00am every Saturday morning. It's open to all - walk, jog, run, volunteer or simply come and watch. The course includes a 2 lap grass path section which may be muddy after rain.
