

# Practical Habitat Creation Workshop

This **FREE** workshop is a chance to get your hands mucky and learn how to **create homes for nature!** You can then use your skills to **encourage wildlife** into your garden or local green space, by creating cosy habitats. Come to **learn new skills** and **meet new people** in the great outdoors!

The workshop will include:

- **Building a bird box**
- **Creating a bug hotel**
- **Building a hibernacular**
- **Upcycling for a wildlife pond**

Places are limited to 4 per group, so don't miss out!  
All activities will be delivered in a **COVID-safe** manner
