

Wetland Creation Training Course

This **FREE** training course is a chance to learn from the experts all about wetland ecology and get practical with the creation of a pond series at the nature reserve! Come to **learn new skills** and **meet new people** in the great outdoors! You will learn about:

- Pond design and site surveying
- Wetland habitat management
- Wetland wildlife identification
- Environmental importance of wetlands
- AND lots of practical hands-on activities!

Places are limited to 4 per group, so don't miss out!
All activities will be delivered in a **COVID-safe** manner

When and where?

Session length: 3hrs

Every Tuesday from 6th – 27th October, 9am OR 1pm
Hassall Green Nature Reserve, CW11 4XX
