

Autumn leaf art

Instructions

Make sure you wash your hands afterwards and ask for help from an adult.

Leaf prints

You will need: leaves, plain paper, paints and a paint brush.

1. Turn all your leaves over so the veins or bumpy side are facing upwards. Paint this side of the leaf with your chosen colours.
2. Press the leaves down on to the paper, paint side down to reveal your leaf print art.

Leaf rubbings

You will need: leaves, plain paper and some crayons.

1. Place your chosen leaves underneath some plain paper with the veins and bumpy sides facing up.
2. Using your chosen crayons colour over the top of the leaves on the paper until the beautiful natural patterns start to appear.

Collect your favourite autumn leaves to create art for your walls, create patterns or make your own homemade cards!
