

Autumn Crown

Make sure you wash your hands afterwards and ask for help from an adult.

What you need:

A strip of card
Glue or double sided tape
Fallen leaves

Instructions:

1. Using the strip of card, form the card into a headband. Make sure it fits your head, then glue or tape the ends together.
2. Head outside or go on a walk and get leaf hunting. Make sure to only pick fallen leaves.
3. Using tape or glue decorate your crown by sticking the leaves onto the card.
4. Wear your crown!

With the help of an adult make a leaf crown by weaving one leaf into another by their stem.

Decorate your crown with acorns, pine cones or conkers!
